COMMITTEE'S PUBLIC HEARINGS FOR ITS ELEVENTH INQUIRY INTO THE ELECTORAL COMMISSION

The second public hearing for the Committee's 11th Inquiry: Review of The Electoral Commission will take place on:

**Thursday 15 June at the Commonwealth Club, 25 Northumberland Avenue,
London WC2N 5AP, 9:45am to 4.30pm**

The Inquiry is looking at key themes critical to public trust in our democratic system through a review of the mandate, governance and accountability of the Electoral Commission. Key issues already raised in written evidence to the Committee (<http://www.public-standards.gov.uk/11thinquiry/evidence.asp>) include:

- *the integrity and application of the current political party funding arrangements, and implications of any changes;*
- *electoral propriety including voter registration, electoral administration and electoral fraud; and*
- *the contribution these issues make to voter engagement with the political process.*

Witnesses have been invited to help the Committee examine the current responsibilities of The Electoral Commission, set up five years ago following the Fifth Report of the Committee in 1998. The Commission is an independent body set up by Parliament to promote integrity, effectiveness and participation in the democratic process. The Inquiry takes place against a background of public concerns about arrangements for postal voting following some high-profile legal cases, safeguards for voter registration, and allegedly circumventory loans to political parties.

The following witnesses are to give evidence on the second day of public hearings:

10.00- 10.30	Professor Robert Hazel, School of Public Policy, University College London
10.30- 12.00	Oliver Heald MP, Shadow Secretary of State for Constitutional Affairs and Shadow Chancellor of the Duchy of Lancaster
13.00- 14.00	Simon Hughes MP, President of the Liberal Democrat Party; Liberal Democrat Shadow Attorney General
14.00- 15.00	Rt Hon Alan Beith MP, Chair Department for Constitutional Affairs Select Committee

15.15- 16.15

Rt Hon Hazel Blears MP, Chair of the Labour Party and Minister without portfolio at the Cabinet Office

NOTES FOR EDITORS

1. The Committee published an Issues and Questions paper, inviting written evidence, on 16 February 2006. The Issues and Questions Paper and written evidence received can be found on the Committee's website www.public-standards.gov.uk.
2. The Electoral Commission was established as an independent statutory authority on 30 November 2000. This followed the recommendations of the Committee on Standards in Public Life's Fifth Report, The Funding of Political Parties in the United Kingdom and the subsequent commencement of the Political Parties, Elections and Referendums Act 2000.
3. The Committee's standing terms of reference are: "To examine current concerns about standards of conduct of all holders of public office, including arrangements relating to financial and commercial activities, and make recommendations as to any changes in present arrangements which might be required to ensure the highest standards of propriety in public life".
4. On 12 November 1997 additional terms of reference for the study on the funding of political parties were announced by the Prime Minister as: "To review issues in relation to the funding of political parties, and to make recommendations as to arrangements". The Committee's 11th Inquiry is located within these two combined terms of reference. The Committee's terms of reference specifically preclude it from investigating individual cases or specific allegations of misconduct. Nor has the Committee any powers to require others to do so. But the Committee may take account of information on material cases in formulating its recommendations.
5. The full membership of the Committee is: Sir Alistair Graham (Chairman), Lloyd Clarke QPM, Rita Donaghy CBE, Professor Hazel Genn CBE, Dame Patricia Hodgson DBE, Baroness Maddock, The Rt Hon Baroness Shephard DL, Dr Elizabeth Vallance, Dr Brian Woods-Scawen DL.
